Luna Park Sydney Environmental Policy

Luna Park Sydney is committed to:

Protecting and improving the environment in all areas of the organizations operations by seeking continual improvement of our environment, and our employee's safety and health as they relate to our operations.

Minimizing waste in all our operations and ensuring effective recycling programs are maintained.

Ensuring adherence to all Federal, State and local environmental agency regulations.

Prevent pollution, ensure efficient use of resources and minimize waste through staff communications and training.

Conducting regular environmental audits and assessments of compliance with company and legal requirements and periodically providing appropriate information to Luna Park Sydney's Board of Directors.

This policy will ensure our employees are adequately trained, and made aware of any impacts their decisions and actions may have on the environment.

Furthermore, the environmental policy shall extend to all site visitors and contractors, and is available to the public.
